No. V. P.H. (15)

Municipal Office, Mangalore
Dated the 19th May, 1952

From

Sri M. Govinda Menon, B.A.B.L.,
Commissioner, Mangalore Municipality,
Mangalore.

To

The Secretary to Govt.,
- L.A.Department. Madras.

Thro'

The Chairman Municipal Council,
Mangalore.

Sir,

Sub: Public Health- Trenching ground at Mudushedde construction of quarters for menials- entrusting of work to Contractor- approval requested.

Consequent to the agitation of the public to shift the Municipal Trenching ground from Deebail, the Council pitched upon a spot on the Mangalore, Agumbe roadside about 7 miles away from the Town and possess the same by virtue of acquisition and alienation

To mitigate the nuisance caused by the location of the trenching ground within the thickly populated part of the tow before the monsoon which is expected very soon, the Municipal council commenced trenching in the new place at mudushedde from 1-5-1952. As the trenching ground is far away, the providing of quarters for the menials in the trenching ground area was unavoidable and the construction of back to back type quarters estimating to Rs.2100/- two thousand and one hundred was entrusted to Municipal Contractor, Sri U.Shrinivasa as an urgent measure.

The Municipal Council in its Resolution No. 724(5) dated 12-5-52 has sanctioned.

In submitting herewith a copy of the C.R.No. 724(5) dated 12-5-1952 I request that the Govt may be pleased to approve the action of entrusting the work without tenders.

Copy of Municipal Health Officer's letter No. nil dt 31.7.52 to the Director of Public Health Madras.

Sub: Public Health-Trenching grounds at Mudhshedde construction of quarters for menials- entrusting the work to contractor-remarks. submitted

Ref: Reference in R.No. 62636- 1.E.3.52 dt 9.7.52 from Director of Public Health Madras.

As the old trenching and compost preparing ground at Derebail is in close proximity to the residential houses a new site was selected at Mudhshedde nearly seven miles away from the town and the trenching of nightsoil and compost work commenced at this place from 1.8.52. As the trenching and compost ground is far away provision of quarters for menials was essential and urgently needed. As per Municipal Health Officer's letter dated 15.3.51 the construction of six tenements (3 front and 3 back) at an estimated cost of Rs.2100/- was entrusted to Sri U.Srinivasa Municipal Contractor as an urgent measure without calling for tenders. This work is under execution as per Commissioner's order dated 26.4.52. The Council in its resolution no.724- (5) dated 12.5.52, sanctioned the entrustment of this work to the above contractor and also resolved that Government may be addressed. Government may be requested to approve this in view of the facts mentioned above.
